CAN'T SEE YOUR MODEL LISTED? ASK US...

*Purchase of a Reman part includes a core deposit. The core deposit is refunded upon return of an acceptable core (used part) to Cavpower. In order to qualify for core deposit refund, cores must meet simple, visual inspection criteria. Typical criteria include: must be fully assembled and complete, not cracked or broken, free of excessive rust or pitting, free of fire damage, and must be an acceptable Cat Part Number. Core acceptance may vary by product - please contact Cavpower for full details.

All parts listed in this advertisement may be serial number or arrangement number specific and models listed above should be used as a guide only. Part numbers should be checked against your specific equipment to ensure suitability, please contact your local branch for more information. Offers available while stocks last.

CAT[®] OILS

DISCOVER THE DIFFERENCE

Cat Diesel Engine Oil is developed, tested and approved by Caterpillar to meet the same high standards as all Genuine Cat[®] Parts.

Each oil product is specifically designed to offer superior protection and maximise component life. They can be used in a variety of applications and components.

- ✓ **Factory-Fill** — Used as standard factory-fill for Cat machines.
- ✓ **Increased Engine Life** — Resists oxidation and prevents buildup of deposits on pistons and rings.
- ✓ **Extended Drain Intervals** — Extends oil drain intervals while providing excellent engine protection and performance when used in conjunction with our S•O•SSM Services oil analysis program.
- ✓ **Proven Performance** — Tested thoroughly in Cat diesel engines including Cat engines with ACERT Technology to ensure excellent engine life and performance.
- ✓ **Long-Lasting Protection** — Improved soot control and enhanced shear stability enable oil to maintain proper viscosity for longer operating periods in Cat engines with ACERT Technology, especially those equipped with HEUI systems.

Final Drive and Axle Oil	Diesel and Natural Gas Engine Oil	Gear Oil	Synthetic Gear Oil
For off-highway trucks, large track-type tractors, pipe-layers and track skidders	Protects earthmoving, commercial, marine and on-highway truck diesel engines	For Cat manual transmissions, differentials, and final drives and sealed lubricated track joints	For specified Cat direct drive transmissions, differentials, final drives and sealed lubricated track joints
Hydraulic Oil	Transmission and Drive Train Oil	Specialty Oil	
For protection to hydraulic system components	For Cat [®] transmissions, final drives, wet brake and hydraulic compartments	For Cat [®] Backhoe Loader rear axles and Cat [®] Challenger Tractors
