GENUINE CAT PARTS. IT'S HOW WE'RE BUILT.

# THERE IS A DIFFERENCE IN G.E.T

Cat® Ground Engaging Tools (G.E.T) makes a difference in performance and component life, a difference that saves you time and money every day.

Cat G.E.T is built to deliver superior performance and long wear life. You can maximise both by choosing the right Cat G.E.T for your applications.

Made of through-hardened DH-2™ steel, Cat G.E.T lasts longer and offers high impact resistance. This means you will buy fewer parts, have less downtime and spend less money on labour and hardware. Plus, only DH-2 is covered by the comprehensive Cat G.E.T warranty.

## CUTTING EDGES

Three factors to consider in choosing a cutting edge are shape, width and thickness. Curved edges provide the superior penetration and rolling action necessary for fine grading and finish work. An 8" edge provides twice as much available wear material as a 6" edge - at only about 35% more cost. Plus, hardware usage and edge replacement downtime will be cut by 50%.

## END BITS

Cat® end bits are recommended for all applications. Made of through-hardened DH-2 steel for added strength and service life, they protect moldboard edges from wear.

## SCARIFIER AND RIPPER TIPS

Caterpillar offers a range of built-tough ripper and scarifier tools and components that make a difference by enhancing production and extending motor grader versatility.

## OVERLAYS

Overlays are recommended for applications such as ditching that cause severe wear on the cutting edge and corners. They add strength and limit corner wear which extends cutting edge life. When worn on one side, overlay end bits can be rotated for a second wear life.

A DIFFERENCE THAT COUNTS.

# CAT® GROUND ENGAGING TOOLS

## CHOOSE YOUR OFFER

# 1

### UP TO 30% OFF CAT® GRADER EDGES

- Purchase 10 DH-2™ grader edges and receive 10% off
- Purchase 20 DH-2™ grader edges and receive 20% off
- Purchase 30 or more DH-2™ grader edges and receive 30% off
- Suitable for all earthmoving equipment
- Available for over the counter sales only

# 2

### 50% OFF K-SERIES™ ADAPTERS

- Purchase a full set of K-Series adapters and receive 50% off
- Or get 35% off base edge assemblies
- Available for over the counter sales only

# 3

### SAVE 10%

- 10% off bucket tips, ripper tips and scarifier tips
- Plus 10% off chocky bars, wear buttons, roll bars and wear blocks
- Available for over the counter sales only

THERE IS A DIFFERENCE IN G.E.T. — A DIFFERENCE THAT COUNTS

BUILT FOR EVERY APPLICATION.

## CAVCARE MAINTENANCE AGREEMENTS

### WHAT IS A CAVCARE AGREEMENT?

A CavCare Maintenance Agreement is an arrangement between you and Cavpower that reduces your operational cost by providing a planned approach to scheduled repairs at a capped price.

We perform the important service and maintenance tasks on your Cat equipment allowing you more time to run your business. Regardless of what Cat equipment you own, their age or their applications, CavCare guarantees timely, expert service to keep you on the job.

### WHY CHOOSE CAVCARE?

- ✓ Maintenance agreement customised to fit your needs
- ✓ Guaranteed quicker service turnaround time
- ✓ Services performed to factory specifications using advanced diagnostic tools
- ✓ We provide a well-documented service history which greatly improves your resale value
- ✓ We offer variable payment methods to suit your cashflow needs
- ✓ We properly dispose of used oil and filters leaving your site clean

For more information on how we can assist your business with CavCare, call the CavCare team on 1300 CAVCARE (1300 228 227)
