### **FASTER. EASIER. SAFER.**

Take your operation to the next level with Cat® Advansys™ Tips and Adapters. Giving you improved job site safety, easier removal and installation, longer tip life and better penetration for optimum fuel efficiency, Cat Advansys will help you move more material with less machine downtime.

Cat® Advansys™ features new and optimised tip shapes with wear material where you need it most. Other features include tapered tip sides offering less drag and higher productivity. These new and improved features ensure Cat Advansys tips last 10-30% longer and tip change downtime is reduced by 50-75%. Plus, integrated retention components streamline retrofitting with adapters that drop into the same space as K series.

Cavpower can help you choose the Advansys™ system that offers the right balance for your application.

## FEATURES AND BENEFITS

**TIPS**  
last up to  
**10-30%**  
**LONGER**

Wider top surface reduces drag on the tip and adapter side as the tip moves through the surface.

New tip shapes put wear material where you need it most.

**ADAPTERS**  
have up to  
**30-50%**  
**LONGER LIFE\***

Stronger adapter noses result in up to a 50% stress reduction. Improved adapter nose geometry reduces sliding wear on adapter nose surfaces.

\*Comparison to J or K series

**TIP CHANGE**  
takes  
**50-75%**  
**LESS TIME**

Retainer lock requires no special tools for quickest tip removal and installation.

A half-turn of retention locks and unlocks the CapSure retention. Retention components come installed in tips.

# FIXED PRICE REPAIR OPTIONS

## IT'S OUR JOB TO KEEP YOU RUNNING

No matter what your situation, we've got the parts and repair options that are right for you, your machine application and budget.

Cavpower currently offers 3 types of fixed price repair options:

ENGINE

DRIVE TRAIN

HYDRAULICS

## WHICH OPTIONS?

To choose the best option for your service need, start with four key questions:

### OWNERSHIP

How long do you plan to own the machine?

### UTILISATION

How much/often do you use the machine?

### AFFORDABILITY

What is your expectation with regard to price?

### TURNAROUND

How quickly does your machine need to get back to work?

## FIXED PRICE REPAIR OPTIONS AVAILABLE FOR

Articulated Truck	Wheel Loader	Motor Grader	Dozer
740	972H	12H	D8T
	980H	120M	

## CAN'T SEE YOUR MODEL LISTED?

No problem. Simply contact your local Cavpower branch or Product Support Rep and we will tailor a repair solution to suit your needs. All our repairs are performed by Cat trained technicians using genuine Cat parts which are backed by our 12 month parts warranty, so you can feel confident selecting a repair option through Cavpower.
